Home BUSH 3A12D/4A12D MEDIA FUNCTIONS GUIDE Pdf Download. Bugs/Repairs/Helps - Zipfoid. SEXTILE/SARAY RED WOODEN DAB RADIO 583. Deranged/Dial Tone/Static - After final program selection. DAB Radio is a broadcast radio protocol to allow users to receive up to 22 radio stations via digital radio broadcast. Required reading for everyone who owns a DAB radio. This guide will provide the needed information for basic DAB radio operation including programming, tuning, decoding, and switching. This guide will also provide information on set up, troubleshooting, and operating a digital radio with a DAB tuner. Even if your DAB radio has already been set up it is possible to use this guide to familiarise yourself with the DAB radio and the functions of the buttons on the DAB radio itself. The contents of this book are for informational purposes only and should not be considered legal advice. Firstly, locate and turn off the power on your DAB radio. Prior to using this manual to change the station's programming on the DAB radio you must set the radio to manual tuning by depressing and holding the "program select" button on the radio. Inset view of the DAB radio with manual tuning. Setting Up and Tuning Your DAB Radio - Technika. Once the radio has been set to manual programming, choose the station you wish to set as the station in play mode. Make sure you mark it as the station "in play". Once the station has been set to the station "in play", it is possible to change the station to another one. To do so, use the "up" and "down" keys to locate the desired station and press the "up" or "down" keys. SEASON 4, EPISODE 10 - Radiowaves. Once all the options are chosen, tap the "OK" button. If this is the first time you are using the radio, scroll through the menus and make sure that the station you selected on the radio is the station "in play". If the radio is playing a station other than the one you selected on the radio, press the "stop" button to pause the radio playback and "ok" back to the set up menus to change the station. Press the "up" or "down" keys to change the station's programming. The DAB-129

Red Wooden Dab Radio 583 151 Manual
