According to CVG, Dark Souls, developed by BioWare, will be available on August 4, 2010 in Japan, where it will be available for PC and PS2. The game will also be localized in English. According to the developers, they intend not only to attract the attention of Asian players, but also to make it the best-selling game of 2011. In North America, the game will go on sale on August 6th. Victims of a terrible epidemic of alien origin that flooded their home planet, kill the inhabitants of the planet Earth one by one. The only thing left to defend against aliens is the NGE company - they use ancient technologies, but their actions are not very effective. It was then that the idea arose to create a combat vehicle called "T-1000" (after the name of one of the parts of the movie "Terminator" sounded in one of the tracks of the game). Frosbite Games has announced that the Minecraft PE multiplayer game will be distributed on a free-to-play basis, so that the "wild" inhabitants of the Minecraft world will be able to download it for free. The new version of MineCraft PE has received a huge number of updates and innovations that will allow players to enjoy a new game world, a new look and a completely new gameplay. Innovations have affected almost all aspects of the game: it received a completely redesigned and enlarged interface, new game features, new maps and items.
