No need for separate solutions to deploy and monitor IT security. Safely integrate website content and protect websites from malware and spam. Detect online threats, like spyware, viruses, and Trojans. Speed up IT infrastructure with load balancing, failover and secure content delivery. Efficient, interactive interface gives you a full overview of your business network. VIPRE Business Premium Price: Couple of updates for those who are interested. I downloaded the latest AVAST! 2016 after the previous version detected viruses on some files and they were just plain out of there. Since the AVAST! 2016 is still running I figure I should let those who are still wondering about AVAST! to know that AVAST! is working fine for me and I am all good to go!KIEV (Reuters) - Ukraine's president on Wednesday proposed resuming oil supplies from Russia, as the two countries struggle to keep their gas deal together amid disputes over prices and other issues. Ukrainian President Petro Poroshenko addresses the United Nations General Assembly in the Manhattan borough of New York, U.S., September 19, 2017. REUTERS/Mike Segar With a constitutional referendum looming on Sunday, Ukrainians are also watching the country's political system in flux, with the president's authority weakened by a fight with the biggest opposition party. The gas row has become the key test of Poroshenko's ability to use the clout of energy to keep his country's two most powerful institutions onside as he seeks closer ties with the European Union. Ukraine has been buying gas from Russia since the early 1990s when Soviet leader Mikhail Gorbachev lifted a four-decade-long ban on imports from a market in which Ukraine once dominated. But two years ago the Kremlin said it had suspended gas supplies, saying Ukraine had failed to meet its contractual obligations, and it now wants to re-establish the link. Russia and Ukraine signed a deal to resume supplies in January, but Russia has since put pressure on Ukraine to agree to higher prices for the fuel. Poroshenko's office said in a statement that Kiev had not received an official response from Moscow on the president's proposal to re-start supplies of Russian gas by November. "It is our hope that Russia will accept this proposal so that the deal will be resumed," the statement said. The gas contract signed in

#### What's New In VIPRE Business Premium?

VIPRE Business Premium is an effective solution that simplifies deployment and monitoring of security policies and alerts. The free version of this popular antivirus tool is useful when it comes to controlling workstations, device, and business policies. As soon as the creation of policies is completed, you can easily activate them by using the dedicated dashboard.
