## Zfx South Of The Border 4

Continuing the South of the Border series, the pretty US Embassy Attorney (Lisa Kincaid) finds herself caught in a tangled white web. Her enigmatic English counterpart (Patrick Swayze), a Jew by birth, an aristocrat by spirit, guides her, first through the Immigration Center and then through the International Student Registration Office in New York (John Travolta). Along the way, they decide to reveal their romantic secrets, but she must play on her charms before jumping into action. I watched my last film with the participation of Patrick Swayzzi back in 1984, when the film, which was part of several Moscow film screenings, was posted in the Pushkinsky cinema hall on a 3D display that was displayed on 4i. My rating for the film was high - four out of five! I bought it in the blue skull and crossbones translation so as not to confuse viewers of color and was glad to see it again after nearly twenty years. Conclusion: watch!
