The game is an open world truck driving simulator, but less relaxing. You will race for a monopoly on the trucking market. Wherein . The game is an open world truck driving simulator, but less relaxing. You will race for a monopoly on the trucking market. At the same time, you have to complete tasks for time and for performing various tasks. All this must be done to maximize profits. At the beginning of the game, you can choose your truck and driver. Points of your route will be marked on the map. You can choose several points per day, or you can choose one at a time.
