EA Sports' Tomasi Cipolloni, producer of FIFA video games, said: "As the core technology within the FIFA video game series over the last 20 years, we continue to adapt and evolve the game as the science of football has developed over time. That's what we are doing in FIFA 22. With "HyperMotion Technology," we are getting the most detailed footballing physics experience ever, as we work to recreate a game-play experience that is authentic and authentic-feeling." EA SPORTS™ FIFA 18 continues to deliver on realism, gameplay and customization. EA SPORTS™ FIFA 18 introduces "Cool Soccer Feel" and "Tactical Free Kicks." Cool Soccer Feel uses player-created custom animations on any real player's kit. Tactical Free Kicks allows free-kicks in any direction and with any player. EA SPORTS™ FIFA 18 features a fully-customized Champions and Experienced/Junior Editor modes. With the Champions Edition, fans are able to take their favorite club from all over the world and customize them with thousands of kits, balls, boots and uniforms. The complete lineup for any club in Champions include Authentic, Cool and Quick-Selection kits. Cool Soccer Feel includes classic kits to the most outrageous, over-the-top kits available. Fans can also customize the kits for any player, including new personalized design elements. The EASPORTSMAN'S EXPERIENCE returns and now includes over 35 different unique experiences, such as goal celebrations, goalkeepers training drills, and new camera angles. The EASPORTSMAN'S EXPERIENCE introduces "Man of the Match Moments", where fans can be the star of a match-day scene by taking on one of the game's new player creator modes. This player creator mode allows users to share personalized game moments with the world on social media. FIFA 18 features Déjà Vu, a new feature for all modes where fans are able to select which experiences they want to play and then watch them happen. The ability to replay fan-favorite moments, from late-game dribble masterpieces to goal-scoring attempts, live on the pitch. As with all EA SPORTS games, FIFA 18 comes with the FIFA Ultimate Team community manager, Master League Manager, Seasons and Live Seasons. Play a season of online soccer matches to earn

### **Features Key:**

- **The return of the World Cup 2018** with FIFA 22 comes with an all new World Cup prop and gameplay.
- **FIFA 22 unites all 32 teams in one game** that offers a deeper narrative, more intensity, player personality and modern features for making it easier for everyone to enjoy FIFA.

- 
- We want to make it easier for people of all ages to get involved in football.
    - Bringing together all 32 national teams for the first time in FIFA.
  - The new on-ball features include finer player movement, integration of new ball physics, and improvements to goalkeepers' handling abilities.

Customise your clubs, build the team of your dreams, compete in weekly challenges, and win rewards as you climb up the Leaderboards. FUT Champions - Create your ultimate FUT team by managing the full squad, playing as a manager, and controlling the team's performance in-game. Play in FUT Champions and, if you're a FUT master, the other FIFA modes all get easier in Pro Clubs. UEFA Champions League - Featured competition mode in FIFA 22. Play 3v3 or 5v5 matches against friends or AI opponents, on a ladder to qualify for the main draw. Get your chance to represent your club in one of the biggest tournaments in world football. The Journey - Unlock new narratives, showcase an iconic soundtrack and iconic locations, and experience the heart of a global phenomenon. Showcase and MyCareer - Compete in weekly and monthly challenges on FIFA MyCareer. Compete with FIFA MyLeague in FIFA Ultimate Team, and earn yourself MyClub Coins (MyCoins) to spend on new players. FIFA 22 Features Crowded Stadiums - Battle your way through thousands of rival fans with a new crowd-focused system. Even if you're playing alone, you'll get crowds of enthusiastic supporters who create a lively atmosphere. New Kicking Systems - Take on the new kicking systems in FIFA 22. A new intent-based collision model will calculate defender's reactions to the attack, and gives shots on goal more of a chance of scoring. Scouting - Picking the right players to fit into your team, and picking the right formation and tactics to maximise the effectiveness of your team, is more important in FIFA 22 than ever before. New improved Skill Games - Improved animations give players and fans a better experience. Watch your players take more touches and sprints to out-manoeuvre the opposition. New Behaviour Model - With over 100 new animations, the behaviour model in FIFA has been redesigned. Players try harder on tougher opposition and you'll see more of your own players being protected by their teammates. New Passes - New passes are more difficult to perform than ever before. Players will need more precision to execute these passes, and be more aware of where they are in relation to defenders, and even the ball. New Zones - Zones come in three types. Blocking zones help you avoid taking shots
