Wanderers, you are at the edge of the top of the tower! Find your key! In the Dark Tower, it is important to be careful of traps and hazards. The doors do not open, and there are many obstacles. And many goblins live in the Dark Tower. They will not hesitate to bite and stab you. Enemies can capture you. You must free yourself from those goblins so that you do not die! Use the keys to rescue your unconscious companions. There are many ways to die. It is up to you to use them wisely. Explore all the rooms of the Dark Tower and solve puzzles to unlock the door that will lead you to a new adventure! How to play: The game begins to a set of instructions in which you are told to move up the staircase. Tapping the screen will make your hero to jump. Tap again to fall to the ground. Tap on your hero to run, and tap again to jump. Explore different rooms of the tower and find keys to unlock doors. Let your hero be captured by monsters. You will need many keys to unlock all the doors. You must climb in the tower. You can find new keys by meeting new characters. Be careful. There are many traps and hazards in the tower. The higher up you go, the harder it will be to find keys. Every room is a kind of labyrinth. You must find the key to enter the next room. Explore all the tower and solve puzzles to advance your hero. Connect to Facebook to share your success with your friends. Controls: Swipe to move Swipe up to jump Swipe down to slide down Swipe left to go back Swipe right to move forward Two buttons are in the bottom right. You can play offline in various modes. Survival mode is endless. Adventure mode is with a limited number of keys. Casual mode: Easy mode: Normal mode: We do not recommend casual mode to new players. You have to find keys to unlock doors! We recommend that you play in the normal mode until you become used to the game. ***** Puzzle Key Concept We used a puzzle-resolving concept to make the game more challenging. The numbers of keys in the game is a puzzle that you must solve. We offer the strategy to players. You can utilize your thinking skills

Medieval: Knights Templar is an action RPG game that features deep world exploration, over 1,000 unique and powerful weapons, challenging quests, and tons of abilities to unleash. Defeat deadly enemies and forge a legend of your own. Numerous skill sets and combos will help you conquer vast dungeons, and the use of elemental blasters and the element wheel will allow you to master deadly long-range attacks. You can equip up to five weapons, and your character can use up to five different element attacks. This element system makes it possible for players to decide what element they want to use when encountering an enemy. You will be able to find everything you need right on your map screen. You can use a guide map to quickly display a specific location, view items that can be used and information about enemies. Use the cross-hair system to freely move around, and you can share up to three information cards with other players by touching their map icons. Each information card can be replayed by re-using it on the map, and all items you find will be yours. Features:

-Explore the open world of medieval Europe -Hundreds of weapons to choose from, each with its own class and element -Powerful, hundreds of abilities to help you fight -Clear quests, deadly dungeons, and deadly bosses -Simple, but fun combat system. You will slay evil, uncover the secrets of the realm, and embark on a journey of valor -A lush, open world with its own towns and dungeons to explore -Realistic, medieval environment. More info: The Official Soundtrack consists of 27 tracks. The Main Theme is one of them. Genre: Overdub, Step, Dance, Rock, Soundboard, Step, Backdub. The Main Theme has in fact all the tunes played in-game. They are all audible, so it is not difficult to locate them. There is no story line so the whole album is played as a background music. But it's extremely relaxing and will take you on a beautiful journey into our world of Zombie Panic! Source. The Original Soundtrack has already been released. If you have not received it yet, please contact KillahMo. Soundboard Tracks: If you liked the original soundtrack so much, you can listen to the soundboard. Each track is audible, no matter how far into the game you are. You can even listen to the soundboard in surround sound. KaempeLaeske has come up with three new soundtracks: Frozenheart, Work Hazard, and Zomboeing. Frozenheart and Work Hazard have 20 tracks. All tracks have in fact been released on the Original Soundtrack. But KaempeLaeske has added 5 tunes to them for both maps. So the soundtracks have now 25 tracks. Please use the Spotify playlist. Zomboeing has a brand new soundtrack with only 15 tracks. You will not miss any tunes from the Original Soundtrack. Even if you are in the midst of a zombie hunt, there is always something to listen to, as the tunes in Zomboeing are just as good as the original. Please use the Spotify playlist. THE MAPPACK Includes the Original Soundtrack. With this you can play the Original Soundtrack everywhere you go. My Zombie Survival: I have created an album with 14 of the original ZPS tracks which will make you feel like you are in the midst of a zombie apocalypse. It will keep you focused on your zombie hunt and survive. As the map evolves from one to the next it will update in our Zombie Survival Soundtrack. Please use Spotify for it. I cannot provide a download link for ZPS because it is an unlimited file which you can listen to from anywhere on the internet. The PDF album is located in the link below. If you do not have Spotify, there are other players which you can use. This is how you can download and listen to them. Hello Survivors! I am

What's new:

The Healer is an American sitcom that aired from October 13, 2006 to May 14, 2007 on NBC. The series centers on the Darren McMullen (Denis Leary), a doctor-turned-healer who is also fiercely proud of his Irish heritage and who has never before been able to accept such a title. He is joined by his longtime sweetheart Natalie Wood (Daryl Little), the hospital's "patient liaison" Bobbi Parker (Alex Kingston), the dedicated head of medical laboratory, Rusty Cundiff (Josh Dallas), and his mother Bobbi (Kate Burton). A spin-off series, Grace and Frankie, premiered on CBS on June 15, 2015. NBC canceled The Healer in May 2007 after completing the eighth and final season, but re-aired the series on cable's truTV from May to July 2016 after Leary's Free Association and Partners in Crime, both of which feature Robert Wagner and Shelley Fabares, also ended their runs on that network. Synopsis The series centers on Dr. Darren McMullen, an openly gay doctor who ran away from home as a teenager in New Jersey, got in with the wrong crowd (after being seduced and raped), and had to leave the city after a scandal in which he was revealed to be HIV-positive. Returning to his hometown of Trenton, New Jersey, he decides to try something different and take advantage of his privileged new heritage as a member of a highly respected Irish family by finally getting the nerve up and applying to be a teacher at Trenton's prestigious St. Olaf's Prep, where his family is tight-knit with many of the residents. The teacher, who will be in charge of the school's "elite prep" program, is offered to McMullen, which he accepts. Struggling with his weight due to his sedentary lifestyle, McMullen swears to lose thirty pounds. His best friend, Natalie Wood, arrives at St. Olaf's, "undercover" as a senior to observe the school; she has just returned from living in Paris for a year as a way of rebalancing her life after an emotional and public break-up with a rock star. A participant in the "special relationships" department of the psychiatric ward at St. Olaf's, she is brought in by McMullen when she, whose fiancé Will died

in 2005 from a drug overdose, admits to self-medicating on heroin due to her father's illness and the re-

Rising Islands is a turn-based 4X-strategy game for Windows, Mac OS X and Linux. The gameplay follows the traditional history-based form, but the focus is on the economic, military and social aspects of human existence. The game is set in the Solar System starting from the ancient - 3500 BC. In addition, the game offers a magic system allowing the player to use magic and myths to gain influence over their enemies. In the game, the player conquers the islands of the Solar System, doing so through carefully balanced tactics to achieve victory in battle. Through the use of these tactical victories the player secures land, mines, factories, and other structures which he then utilizes to expand and increase his power. The main goal of the game is to claim a country as a player's own, capture as many other countries as possible, and subjugate all nations in the game. Players may explore and colonize new worlds and use powerful technological advances to gain an advantage over one's rival. Ultimately, the game allows the player to control the galaxy - to be the one that conquers the world! Key Features: • Tactical 4X gameplay • Base building, island conquering, resource gathering and world conquest • Innovative moddable technology and magic systems to rival turn-based games and strategy titles • Meticulous attention to detail and historical accuracy • Plays all game modes, story and sandbox • Centralized update system with countless further improvements • Mechanically updated with all updates and has a long • Development history of about 1.5 years • Playable with mouse or keyboard • Supports OS X Lion and earlier • User interface optimized for new Intel Atom-based tablets • Viewing angle optimized for 4:3 monitors and TVs • Music and sound by Daniel Souzhammen The Soundtrack: The full soundtrack has 29 tracks with a duration of more than 30 minutes. Bill Gates Is A Scam Founder Of Today

In today's news, billionaire Bill Gates has removed the founder of the first modern computer, Bill Gates Sr, from the board of directors of Microsoft. Bill has taken over the company and it seems that he is sincere in his takeover.

"We may take another look at Microsoft, at least that's what he said. Wow, no more Bill Gates Sr, who founded Microsoft? He was a good guy. And it was so far away. I must say, I heard about that a while ago. I'm glad that the story has changed. It must be a great relief to the people that do not like it. Since it's like that. At least that's how it was written." said Bill Gates Sr. He then went on to ask one of his board members to sit out so there will be two seats left.
