By: dwayne on March 18th, 2010 at 02:27PM This part of the NBA 2K14 Cheat Engine series is to unlock the Slam Dunk Contest after you have completed the NBA Jam Practice Mode. So, I would hope some of these folks might help me out by telling me how to unlock the dunk contest. This invention relates to a method for making silicone compositions and more particularly to a method for making silicone compositions containing 5-35 parts of a polyalkoxysilane plus silica having a quantity of chemically combined hydroxyl groups of less than 0.5 equivalent per 100 parts of silica by weight and a quantity of chemically combined alkyl or phenyl groups of 0.05-2.0 equivalent per 100 parts of silica by weight. In addition to their excellent weathering resistance, the past advantage of silicones has also been their high resistance to oil and grease. This is due to the fact that, unlike resinous materials, silicone compositions are only hydrophobic. However, silicone compositions having excellent resistance to oil and grease are difficult to deposit since they are based on hydrolytic condensation polymers and are very stable to water. Various efforts have been made to deposit and impregnate silicone compositions to develop cured silicone products having excellent resistance to oil and grease. One method of depositing silicone compositions consists of mixing the desired silicone composition with an organopolysiloxane of low viscosity and then depositing the mixture by spraying into a hot air zone. Another method is to mix a silicone composition with a carboxyl- and phenyl-functional organopolysiloxane and then
