The Elden Ring Game (hereinafter referred to as the “game”) is an action RPG developed by Loyalties Inc. in the overseas development division of Eagle Dynamics GmbH. The game is a fantasy version of the game scenario in which the protagonist named “Rise” seeks out and battles against the target that is the protagonist of a fantasy drama. A scenario in which a large and complex world is beautifully designed and the story is not merely thrown together in an ordered fashion but developed into a form where it’s possible to enjoy the story like a good drama. The character “Rise” has a voice that carries a strange feeling, and in which the characters are beautifully drawn and personalities are formed. You’ll be sucked into a world that has an incredible atmosphere.

1. Setting The fantasy world of EOR focuses on the Lands Between which lies in the Middle of the Middle of the Void. In this fantasy world, a “Great Tree” spreads out endlessly like a sky, and in the middle of the Great Tree, various countries are placed. In each country is the capital city. In this world, land is also known as a country, a capital, and a city. This is the distinction that the land can be called a land or a country. The ultimate country is known as the Great Tree. In the current order, the Great Tree is split into many smaller sub-divisions (vaguely) called the “Lands Between”.
2. Job System The job system is a system in which your job is a crucial part of your character. This is added to the existing job system in which your job also determines your equipment. In the job system, jobs are divided into a melee attack character, a magic attack character, a support character, and a weapon attack character, and these roles are called “Roles”. In addition to these Roles, there are various combinations that you can use, such as whether you can combine the healing and support roles or whether you can combine the support role with the weapon attack role. In addition to your main job, there are various abilities, quests, and skills. These are called “Job Skills”. A skill is

classified according to a Role. For example, the healing skill is classified as the healing Role, and the skill that you can obtain by using the healing Role can

Elden Ring Features Key:

Beautiful 3D environments A huge land spanning the Lands Between where everything changes based on each player's preference.

Virtual item creation If you want to create a powerful item, make sure to create it! The system will allow you to create virtual items.

- Every job has a crafting skill and various materials. For example, female guilds such as miners and salvers have crafting skills related to rocks, while warriors have crafting skills related to weapons.
- Equip various types of items to increase your production time and craft the item's quality.
- Many items can be acquired from dungeons, and warlords (dark guilds) and war ladies (female warlords) have particularly large selections of items that others can not obtain, so players can enjoy a variety of exciting quests.

Robust World Building tools Create an immersive world by the simplest of strokes of the mouse. All you need to do is draw a narrow, wide bridge, a castle, and a town.

Character Customization This truly is a custom-made game! Delve into a varied array of detailed character customization options, such as sexy facial expression, body shape, voice, hair, skin, voice and so on.

■ Introduction The world of Tarnished is being destroyed due to a mysterious calamity and the end of day is approaching. It is a time when

an Elden Lord must arise. It is time to fight, and battles begin. You are an Elden Lord who enters a world of suffering. The survival of the Elden race depends on you. Once your task is complete, you will earn an Elden Ring, and become an Elden Lord. In this game, an adventure which never ends, the story unfolds in a world filled with enemies that gather at night, and at the same time, there are allies who ally with you in this world.

Together, let us journey to the end of this story. ■ Features ■ System Overview ◆ The World of the Elden A world where the power of the Elden Ring can be obtained, the Lands Between exist between the setting points and towns. If you enter an area that is not populated, you will not encounter anyone, and you will be unable to enter the town. Tarnished is based on a four-layered structure which is known as the “Lands Between.” If you enter the central layer, the “World of the Elden,” you will encounter monsters, appear, and meet with them at the moment of their life. There are also towns which offer various items and services, so that adventurers can rest and fill their items. The even layer, the “World of the Spirits,” is an invisible world, and is not accessible without the use of the “Warp Ring.” When you enter the next layer, the “World of Other Dimensions,” you will face the dangers of other worlds. In the layer above, the “World of Spirits,” where the presence of spirits of people who have fallen in battle is allowed, but if you are killed by them, you will lose your items. The topmost layer, the “World of Elden,” is the world that you enter. It is the world where you are able to gain and increase the power of the Elden Ring. There is no restriction in where you can go and what items you can carry, and it is even possible to go
