Eight classes are obtained at the beginning of the game. You can also develop new classes by increasing class levels. ♦ A Land Full of Excitement ♦ Experience a Sense of Satisfaction ♦ 4 Types of Dungeons ♦ 8 Classes ♦ Conquest ♦ Explore Dungeon ♦ Tower of Time: a Dungeon that has 2 stages • Beginner Friendly ♦ Over 600 Units The total number of items you can obtain is more than 600. ♦ Class System ♦ Standard Class System, Hybrid Class System ♦ A New Metric System to Measure Attribute ♦ Various Skill Effects ♦ 8 Basic Skills, 10 Advanced Skills, and 10 Ultimate Skills ♦ Customize Your Gear ♦ Inventory ♦ Character Shape ♦ Character Creation ♦ Equipment Condition (Penalty, Ailment, and Quest) ♦ Equippable Items ♦ Enchantable Items ♦ Recipe ♦ Shield ♦

Features Key:

A Wide Realm with a High Level of Freedom A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
A High-Quality Artwork Beautiful hair, seamless swords, and breathtaking graphics to accurately depict the motifs and feelings of the Lands Between. Restored only recently, the image of the Lands Between has not been seen in a while, and has returned even more splendid and captivating. Items included such as the rare mount, weapon, and so on, also have high-quality pictures and sound. The charms of the unique world are reproduced in high-definition imagery that looks real. The swords and hairstyles of the item information are brightly colored for clear understanding.
Moving at a High FPS With an extremely easy-to-operate control system, even those with complete lack of experience can enjoy the fun of a first-time RPG.
Unlimited Customization Even a character with a different name and appearance can be played

Why choose Fantasy Bastion?

- Fantasy Bastion is the oldest fantasy RPG in China, and has developed into a top-tier title in the Chinese RPG market. The game is also a best seller in the English and German RPG markets.
- By coordinating with a proprietary interface and game engine, and taking the voice recognition function of the popular streaming game "Cheering Hero" as a basis, the game's operation is extremely simple and intuitive.
- The Game Engine adopted a C++ for its efficiency, and utilized the combination of DirectX for smooth graphics and unity for integration with the engine. With an expansive modification system and shortcut system, Fantasy Bastion provides players flexibility of customization and freedom of choice. The game also supports development for personal computers and mobile devices, which makes it easy to be played everywhere and anytime. In addition to offline gameplay, Fantasy Bastion also offers a real-time online game.
- The game's photo-realistic graphics and smooth combat images have attracted many players, building a gaming community of more than 300 thousand fans. Fantasy Bastion is one of the game franchises

[7.5/10] By: KNOCKOUT EXAMPLE If you have read my review for the first Elden Ring Cracked Version, you will know that I am not the biggest fan of it. Now I look back at what I said then: The world map is easy to figure out, but it lacks variety in the missions and doesn't have the feeling that it could lead to a thrilling and unique experience. In the first game, the problem was that the game told you everything but was not able to guide you with the right journey. The second game started a bit better, because some of the mysteries were opened up and you could unlock pieces of the story, but the second part, following the second quest, made me feel that it tried to just add a few interesting things without having any connecting thread. In the third part, things changed: There is a connecting thread, but it's not enough to explain everything. You are guided through a journey that is completely different from the previous quests and that I really liked. The main problem with this journey is that you are allowed to do whatever you want, which can be very confusing at times, but that's okay. It leaves room for innovation, because you can experience things that I have never seen before (only in World of Warcraft, of course). The characters also are made to be more realistic and more interesting than I originally thought. The lead character actually has flaws and is complex, and the supporting characters don't just stand around and do nothing. I think that this is something that all epic RPGs should do. The gameplay itself is fundamentally the same as the first game. There is a melee and ranged part, so you can easily know what to do in most situations, but I think that it's a bit too simple to get it perfect. Sometimes, I really miss a full on turn based RPG. I want to say more about the combat, but the AI is unpredictable and you have to pay much attention to what you are doing. I really missed that in the first game, but here you can pick some simple spells and use them in specific situations. You can even use them directly on your enemies. That's something that I really liked about the second game. Another thing that I really liked about the third part is the story. You get to experience some parts of it from the main character's point of view (not the enemies'), bff6bb2d33

What's new:

Since the rise of the user-generated content trend, heroes have begun to escape the bonds of time and space and flow into the Lands Between. You witness these heroic acts and are drawn to enter the world.

The Lands Between are a world of fantasy, where the generation of unimaginable power is likely to surface in the form of a dragon.

The fate of the Lands Between lies in your hands! The legendary power of the Elden Ring has just been activated. Arise... and Tarnish!

The excitement is building. Take command of the Dragon's fire and take part in the creation of the new fantasy action RPG experience, "FINAL FANTASY XV."

The title "FINAL FANTASY XV" was released in Japan on December 6, 2014, and was previously announced for a Western release. The game is scheduled to be released on PlayStation 4 and Xbox One in 2016.
