Features Key:

Dynamic Expansion of the Game Content The "Dynamic Expansion of the Game Content" mode gives you a way of expanding the game content by enabling you to unlock the features of that DLC. GRAVITY will expand depending on the number of you which has successfully bought DLC. The following key features are included with this expansion.

In-Game Manual Acquisition of Achievements In addition to the points obtained for the completion of missions, the points accrued in Dynamic Expansion of the Game Content will be converted into in-game achievements that can be acquired at any time by performing certain tasks at the leaderboard (slackers!).

The Game Play Changes According to Different Characters As you acquire new weapons and armor with GRAVITY, they will level-up along with your character's growth, allowing you to play the game with different play styles....

No additions except for a low resolution patch, which enabled the game to run at high settings at 1280x720. Latest posts So today I'm starting something really stupid... of course I'm not that stupid, but hey! eh... yeah... I tried installing the game on my 3GS, and I got to a point where the game showed itself in the list of apps. But then the game wouldn't launch on 3GS. Obviously, I expected the game to not be compatible with 3GS because Apple doesn't support that version of their OS. So me and my day went completely nonsense. To be honest, I really liked FeM6's engine. Seeing it in action with this game however, was too weird to believe. I mean, everything's just so ugly, besides Portrait Mode and lighting that looks like the gera gif of Epic Beard Man. Anyway, for today I fixed the game. Final release will be in August 2015. Video Tour in short: You play as Abraham Lincoln. You somehow manage to get to the 1865 and find himself stuck in the civil war. You read books, you fight to save your family, you look up to get back home to the 18th century. You're awesome, you know that. As you see, the game is going to be a mix of storytelling, RPG and shooting. More personal story mode this time. You can watch some screens below. Most of the images are a screensnap taken from

"Uniquely beautiful" - Kotaku "Culturally unique atmosphere" - Game_XBOX "Lately, I haven't been able to play something that has so many reasons to keep me coming back. For me, that is a gold medal." – Game_PS4 "The game deserves praise for dabbling in art in ways that so many games, including some from Japan, fail to do, and for managing to not only create an interesting series of worlds, but also a well-made video game." - IGN "I've always loved how dark and insane-sounding these fantasy RPGs can be, and this one is no exception." - Game_PS4 "Over the past few years, I have sunk hundreds of hours into the Western world's most beloved fantasy RPGs. I've loved most of them, and I loved this game, too. It is a Japanese RPG gem." - GAME BECOMING GRATEFUL TO THE WORK OF YEKAN IN SERVE THE FALLEN. THE NEW FANTASY ACTION RPG. meet with the other lords. You will join the Castle Wars between the lords who are looking for a girl named Leonilla. The two factions, the Elden One and the Silver Tower, which are at odds with each other, wage war for the girl named Leonilla. Leonilla, while with Keylin, fights a duel between the two factions. However, Leonilla isn't a common person. Particularly, a mysterious power which enhances their strength, known as "Elden Ring", is known to exist, and it is said that only the Lord who possesses it would be the strongest. However, a terrible age of change is coming, and a strange power called "Silver Tower" is introduced. What is the connection between these two powers? It is unclear at this time... The two factions can be led by the lords who have a strong connection with one of them. There are two main characters: Keylin and Leonilla. Keylin is a lord who becomes an Elden Lord in the name of the Elden Ring. Leonilla is a girl who fights in front of the two factions, and she has developed a strong affinity to the Silver Tower. There is also a different scenario that is related to

both of them. As you go on with your quests, you will help Keylin and Leonilla. As the story unfolds, you will be able to

I don't own the rights of the game... I just share it for fun...

Gandhi I think you are an idiot. There is no requirement that you gotta prove you are a freaking bungle on the internet. I know that don't like when moron kids remind you who is a bungle or in this case you are a dumbass kid. But I know you are that much of a known moron that you have to proove who you are like a moron on internet. You are known

child and we all know it everyday how you talking about wierd things. I know that there is nothing wrong in making something bad. Your game is weird, that is the fact. I am not one of those who said the game is good and fun, no problem. I do not think that the game is good or fun. It is all about that you can't make it as a good game. I know morons like you who try to jerk yourself up as an god on internet. I know that the big amount of you is not
