You've stumbled upon an amazing realm, the Surreal Imaginarium. Explore the 23 amazing paintings that inhabit the Day Gallery, the Interdimensional Journey and the Night Gallery, as you unlock their varied and colorful animations, sounds and effects. The Day Gallery will be unlocked in the "Explorer's Journal" and other paintings will be unlocked as you play. Day Gallery: The Surreal Imaginarium is a virtual gallery. Besides interacting with the paintings, you can also interact with the gallery itself, with the help of the special box you will find. You can then: - buy prints of all the paintings - create your own personalization - write a little caption describing your journey inside the painting and share it with all your friends and family - share the painting on Facebook or through social networks - like the artworks on Facebook or through social networks - share your favorite paintings Interdimensional Journey: The Interdimensional Journey represents the collection of different worlds that the paintings of the Surreal Imaginarium come from. In it, the "Universe" is not seen in the same way, as it can only be accessed by looking for the special box. Once found, the box will be opened allowing you to enter the mysterious universe. - Explore the 23 paintings - Unlock the different worlds - Learn about the paintings - Go back and share your impressions in the comments section Night Gallery: It's always the darkest hour before the dawn! On nights when the moon is full, four special paintings will be unlocked in the Surreal Imaginarium. - Explore the four paintings - Learn about the paintings - Go back and share your impressions in the comments section
