Right now they are playing straight up, and not giving OU any sort of dimension. They would give them a dimension by running a zone, throwing a zone, attacking with a zone, and attacking with a zone. I just wish the Sooners had more than just their couple of minutes of horizontal pass defense before they go into their next series. Scranton 10-27-2005, 07:25 PM I think they really need to get themselves in their own zone a bit more. I like the zone option they have in the running game. I think they'll be very good on D, and if they get the passing game going, it will be very fun. I just think of them as one of those faster teams with bad receivers. Edo Olumu 10-27-2005, 07:43 PM I like this game. I hope they get it going for real soon. JazzyB1 10-27-2005, 07:
