Themes According to vocalist Piotr "Peter Pan" Tarczyński, the album deals with two topics of Polish literature: The first being about the Rotacji Obręb, a 17th century progresivist movement in Poland, founded by Mikołaj Sulkiewicz, and the second about the rozum rapieristów, a time of the 16th and 17th century struggle between the Protestant Brethren and Catholic League. A promotional video for the song "Belzebub" was released on 18 July 2014. It was directed by Paweł Kostrzewski, and the visual concept was created by Piotr Tarczyński. The video was first presented in the brand new interview that took place on 22 June. "Halidom Ar a haluka", the sixth track of the album, is interpreted as "how to fly in snow".
