comments. More to come... (3 posts) keyblaze typing tutor 2.14 crack I have a problem with my Nokia N810 and the firmware version "63.3.9.0" which is for europe. I want to upgrade to the latest version "68.0.1.0" which is an update to the standard build of 63. I just bought the GTAA version which is from 09-10. with the link to the gtaa version from the updated list. The Nokia N810 is working fine, just i have a problem with the firmware version "68.0.1.0". The problem is that the software update is not working, i tryed to do it from the list, in the brick but no succes. Does any one know how to upgrade the firmware from 68.0.1.0 to 68.0.1.1 from the Nokia N810? My Nokia E65 is also the same as the N810 but a little different since i tried the splash screen. Best regards Regards Salvia and the best regards for "M" salvia74 10-25 12:53 PM I have an EAD atual (12-8) - no nativity date. I have a copy of my I-485 approved at the end of 2009. My appeal is going to be rejected because I think my current address is wrong, the one I get my mail at is a post office box, and my school address is a private residence. I talked to them and they told me that I need to go back in and file a fix my address form and get a new I-797A. If this happens, I will mail in the copy of I-485 with the new address. If my address stays the same, I will receive a final letter giving me the option to receive the Notice of Action in person, or pick it up in DC. I got 1y4mths of stay in Feb. Sorry for the long post. Thanks so much in advance. - Hello Everyone, I have to seek your help as it is my first time to appear in H1B visa section, I am a MBA student working in Belgium, I have a degree in English and Computer Science and
