## **How the Jackbox People Play Marathon Works**

You Can Game On, All Day Long!

It's been since a few months since the big news of PC game Marathon so I've been thinking about the good-bad things I don't like about PC gaming. So when the new video came out of Jackbox people playing Marathon I started thinking about how maybe it's a good idea to make a video like this about the PC gaming community and the people who game on PC.

So without further adieu, here are the reasons I like (and some of the things I don't like!) about

---

PCs, why I think it's fun, and why people play. These are pretty much in no particular order and designed to strike a balance between helping out my PC gaming friends and not making PC gaming about my PC. Some of this may surprise you!

Rise Tarnished through the review comments section in this update! Newest comments first: playgame - "Thumbs up!!" (rps1 - April, 2020) kawaiimorikawa - "I like the more serious brother" (yofukurei - February, 2020) Salmonberry - "The only negative thing for me is that I want more. There are few games from Square Enix that I played since I was a kid and this is definitely one of them. I might just keep it in my library for a while" (Yakurosu - December, 2019) littledim333 - "Never heard of this game. Looks interesting. I might pick it up" (Michal - December, 2019) Aww, no reviews yet? Still fine, we just want to know what you think! That's it for this update! Next time, we'll have some questions and comments in advance so you can give us your feedback about the game. We'll also provide you with some special content related to the game. As always, your e-mail addresses are stored and used purely for notifying you about updates and other news. ----- \*Gameplay Feast your eyes on the following gameplay videos: Tokyo Game Show 2018 Presentation YouTube Channel -----

\*INTRODUCTION The game opens in the Lands Between, a lawless land in which the strongest influences the remaining world. The story of a young man named Eguve Qe, starting with his arrival at the institution, has been told in fragments over a long period of time. In the game, Eguve Qe and his companions are ready to face challenges throughout the game. \*THE PEOPLES OF THE LAND BETWEEN In the Lands Between, the people are densely populated. In the past, monsters were born within the land, and the people who live there were constantly harassed by the monsters. For the sake of the people, many huntsmen were hired to drive the monsters away. It is said that the leaders in those times were called Elden Lord, who wield the power of the Elden Ring and lead the huntsmen.

\*THE EVENTS THAT OCCUR IN THE LAND BETWEEN The so-called "Young Elden" were born at that time, and their power is getting stronger. This power completely changed the order of the Land Between. As a result, in the game, quests are linked in a large and complex network. Eguve Qe and his companions embark on a journey to the deepest depths of the network. They will continue to fight in the game and build an adventurous story.

\*GAMEPLAY The battles are based on actions that can be performed in any turn. Battles are also decided through MP, and the battle results that can be earned are completely dependent on the player character. \*Gameplay For information on the above, refer to the design documents. -----

## **Free Download Elden Ring**

This game has a built-in game client, and due to this, you cannot play the game without opening the game client. In order to play the game without opening the game client, simply follow the instructions below. This game uses a passive net connection which you can enjoy without changing your current IP and MAC addresses. To use this method, you need to have a H5N1 dedicated public IP. When the game screen is back up, reconnect your IP by OpenDNS or another similar service and enjoy the game. If you don't have a dedicated H5N1 public IP, we have released an H5N1 dedicated public IP for the Worldline game. This dedicated public IP should be applied to the game. If there is a delay in connection, you can close the game and start it again. If you close the game before the program is reset, you can open the game again after the reset without losing your game progress. If your internet connection connection speed is below 15 Mbps, you may experience difficulty in connecting to the game. If your internet connection speed is above 15 Mbps, there is no difference in connection to the game.

1. Run the game file The first step is to run the program. When the window appears, you can select the position of the game window. You can use the following command. `xdg-open [/path/to/game]` If you want to start with the latest update, you can open the game file by double-clicking it.
2. Connect to the game server In order to play the game, you need to connect to the game server. We recommend you to use a dedicated IP.
  - 2.1. Start the game server You can run the game server directly by double-clicking the game file.
  - 2.2. Connect to the game server through your web browser If you don't have a dedicated IP and don't want to connect to the game server, you can also access the game server through your web browser. We recommend you to use a dedicated IP.
    - 2.2.1. Open the game server website You can start your game server website by double-clicking the game file.
    - 2.2.2
