Features Key:

Huge dungeon environments: You will uncover complex dungeons for 16 hours or more after you are thrown into the middle of a dungeon. Existing dungeons will also be expanded.

More stories, more heroes: The Tales of Elden Ring is an epic new fantasy drama. It continues to be told only through the eyes of the heroes who survive the portal that allows the Elden to travel freely between the Lands Between. Subsequent chapters are being written by the hero who plays the Tales of Elden Ring saga.

Design your own dungeons: You can investigate and develop complex dungeons of your own design.

Link open fields and dungeons: Travel freely and explore at your own pace.

Unlockable special abilities: Find items that offer abilities that are unique to you and unleash them when you are facing certain challenges.

Experience replay through a cinematic system: Watch events unfolded over a set time period in beautiful real time while the drum reciters of the four lands play.

An epic action RPG / fantasy drama: Play it simply or add special effects such as a music player and a camera to watch a story that is different from what is being played through the various text messages, as well as by the list of check points.

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the

isn't it? Right? No? So, I will talk about what a strategy game is in the first place for the people that do not know of it. Everyone knows of god games and has played strategy games, how about you? \m/
Read on

Hey, I did a paper exercise, feel free to read it! Information from wikipedia: A strategy game is a game in which the rules of gameplay require the players to make decisions about the game world. Hence, in strategical game there is always an element of decision-making. So, that's what it is when I talk about the tact part of the game. On the other hand, games with indirect
