Photography Credit: Elise Bauer A big burrito is like a super-sized flour tortilla stuffed with lots of goodies. It's filling and satisfying, but it goes well beyond fast food. These portable burritos are ideal for a quick meal, but the flavors linger well in your belly. This recipe is nutritionally balanced. All of the major food groups are covered and each one contributes a special flavor. Our Favorite Videos Get Recipe » For a creamy texture, I stir in some cooked and mashed chickpeas with the tortilla mixture. For an extra-savory touch, I add raw white onion and garlic. Because one burrito is never enough, you can make a big batch of these. I like to make a double batch when
