The first film, from 1953 to 1974, is the British secret service agent who is 007, James Bond, a fictional character who appeared in numerous novels and short stories by Ian Fleming. The series includes the original novels and several later short stories and novellas, as well as comic books and video games. In the novels, Bond is an elite agent of Her Majesty's Secret Service, MI6. The novels are set mainly in the late 20th century, but other years are mentioned. The author of the first novel, Ian Fleming, was contracted to write 12 stories per year. He wrote 22 novels, plus a few short story collections, before the contract was made with the film company United Artists in 1953. Initially the films were co-produced by producer Kevin McClory, and they were produced by George Lucas at British International Pictures. The first film, *From Russia with Love*, was produced by the Dan-U-mite Dis-Co Company. The James Bond novels have been adapted numerous times, for instance for radio, TV, stage and in film, both musical and crime. For its 50th anniversary in 2007, EON Productions released the Bond film, *Casino Royale*, starring Daniel Craig as James Bond. It has since become the second highest-grossing film in the series (the second film, *From Russia with Love*, is the highest-grossing at £355 million). Some of the Ian Fleming novels were also made into cartoons. In 1954, Perennia Pictures produced the first James Bond cartoon series, *The Secret Service*. The six-part series featured Roger Moore as Bond. In 1962, Eon Productions made *Thunderball*, the first of their own films in the series (as well as the first of the series to star Sean Connery). The *Thunderball* novel had been published in 1954. In 1965, Eon Productions returned to Fleming with *On Her Majesty's Secret Service*, starring George Lazenby as James Bond. It was the first time that two different actors played Bond at the same time. Lazenby was replaced by Sean Connery in *You Only Live Twice* in 1967. Connery left Eon Productions in 1969 after the prequel *Diamonds Are Forever*. Eon Productions held the rights to
